## President's Message

Happy New Year,

For those of you who stayed up and rang in the New Year get some rest today. I did not stay up past 10:30 pm but heard the fireworks and woke up at 12:10 am.

Hope everyone had a Merry Christmas and enjoyed time with family and friends. We had a wonderful white Christmas with lots of snow. I go back to school tomorrow - not sure if I'm looking forward to the day of wishing for a few more days off. I received an early Christmas gift on Friday December 22 - got my car back from the repair shop, so nice to have my own car again.

Our Christmas meeting was enjoyable. The two foreign exchange students - Leo from Italy and Simon from France, gave great talks about their home countries and what school was like. This is definitely one of my favorite meetings. We spent time talking about the chapter - meeting times, programs, meeting places, etc. Please come to the February meeting with ideas. We also selected a book for the Book Read at the March meeting. The book is "Pioneer Doctor" by Maria Grana. It is an autobiography, the doctor is a woman and she spent time in Whitefish. Thanks Bonnie for the suggestion and information, it sounds very interesting.

I received a nice Christmas card from our member Mindy - she is in Arizona for the winter. Hope you are basking in the sun Mindy.

February's meeting will be Thursday, February 8 at 4:30 pm at MacKenzie River Pizza in Whitefish. The school's conference room had already been booked. We can sit in the back and they have tables we are able to put together.

Stay warm and safe in the New Year.

Barb

Have you read the latest DKG Bulletin Collegial Exchange? Some great ideas. I shared one with the Education Coordinator at the Audubon River Center. Volunteers from Audubon teach science lessons to first and second graders in Sequim. She was aware of DKG. Future member?

Look around there may be someone in the chapter area not working in a school who meets the criteria for membership in DKG.
