

LAMBDA LEADER

November 2017

President's Message

Happy Halloween and Thanksgiving,

First, Happy Birthday to all the summer and early fall babies. I seem to forget birthdays - maybe I just do not want to remember mine and that I'm getting older.

We were unable to hold a meeting in October because only four of us would have been present. **I am asking everyone to RSVP me by October 31 if they will be able to attend the November 9 meeting at 4:30. I need to let the Pin & Cue know if we need the back room. You may contact me at 862-8201, email: barbmansfield@bresnan.net (home) or even my school email at mansfieldb@whitefishschools.org. If Dee Brown is able to be at the meeting she would be talking about retirement issues in Montana.**

If you have not sent Sharon your dues for the year please do so - \$61.00. If you have decided not to remain a member, please let Sharon or myself know as Sharon has to send the information to headquarters. Sharon's address is:

807 Greenwood Dr., Whitefish, MT

Phone is 862-4715

If I do not hear from you I will assume you are not attending the meeting. Sandy does a great job in calling but as we all know with our busy lives, we are not always available for the call so messages are left. We are never sure you will be attending. If you have

questions or concerns please contact me by phone or email.

Take care, enjoy the fall weather and I hope to hear from everyone.

Barb

Happy Birthday to Joy Hughes!

Congratulations Barb!

Barbara Mansfield has been selected to serve on the Alpha Mu State Nominations Committee for 2017-2019.

She is also State Parliamentarian for 2017-2019.
